EDITOR'S LETTER

Well what a busy month it's been here at Mayfair, where we've only gone and moved offices. Quite a lot of rigmarole, I can tell you, just in order to end up three doors down the road. But don't worry – in between all the packing, lugging out, lugging in and unpacking we've still managed to gather as comely a collection of cuties together under one cover as any man could hope for, with the likes of Natalia Forrest, Saskia Jade, Mia Middleton and Lycia all doing their bit to pitch in!

Dirty minded? Good then you sound like just our type! Why not drop us a line and tell us what's been ringing your bell - or otherwise - in Mayfair?

SQUEEGEE LOVER

Dear *Mayfair*,
When I was made redundant from my office job, I decided to do something different and set up a business on my own. After much deliberation, I decided that becoming a window cleaner might be the way to go – especially as there was a distinct lack of them in my area. Setting up was easy enough – a ladder, sponges and buckets don't exactly break the bank – and once I'd got my flyers printed and delivered, I sat back and waited for the phone to ring. It seemed that I'd struck gold, because after a week of waiting, the phone starting ringing off the hook with bookings.

My first few jobs were easy and uninteresting enough. The first was for a little old lady, who was very sweet, bringing me tea and biscuits when I was only half way through, then insisting on giving me a £5 tip as well as the cash payment. Bonus! The next few were for your run-off-the-mill terraced houses, where the owner only came out to pay me.

> "I FELT HER LIPS TOUCH MY BALLS, GOBBLING DOWN MY ENTIRE LENGTH."

It was the middle of the third week that I met Tina. Her house was a detached bungalow in the middle of a well-to-do cul-de-sac over the other side of town. When she answered the door wearing a gym outfit, which consisted of tight leggings and a little crop-top, I couldn't help but stare. She was hot! But although she was fit I figured, judging by the way she looked, that she'd be a haughty bitch. You know the type – 4x4 in the driveway, expensive taste in clothes and perfectly done hair and nails – what they'd call a 'soccer mum' in the States. But, as it turns out, I couldn't have been more wrong.

Stuttering slightly as I tried to look anywhere but her erect nipples, which had decided to make an appearance through the clingy lycra of her top, I explained that if it was OK with her I'd just get on with cleaning the windows and would ring the bell again when I was done. She said that would be fine, and that she was heading upstairs for a shower, so she'd leave the back door unlocked in case I should need access to hot water.

It honestly never occurred to me when starting this job, that there may be the occasional clichéd bored housewife out there. Never, that is, until I had gotten half the job done and was doing the upstairs windows – the bedroom window, to be more precise. I didn't notice her straight away as I spread the soapy detergent over the glass. It was only when I started to move the suds with my squeegee that I saw Tina, standing in the middle of her room with just a towel wrapped around her, which dropped just as my brain caught up with what my eyes were seeing. And what I was seeing nearly had me off my ladder!

Without looking directly at me, although it was glaringly obvious that she knew I was there, she turned around so I could see her full-frontal, and began to rub lotion all over her body. I had completely stopped working, the windows forgotten, as she sat on the edge of her bed facing me, her legs spread wide, and started to caress her boobs. I felt my cock twitch as I watched her work her hands further

GREAT SCOTT!

Dear *Mayfair*,
What a treat to see the stupendous Spencer Scott making one of her all too occasional appearances in your magazine again last issue (54.04). I'd pretty well given up seeing her grace the pages of *Mayfair* ever again, so please pass on my compliments to the girl herself, and implore to give us another treat again sooner rather than later!
Giles, Roehampton.

MAID MY DAY!

down her body, until she reached her pussy, which she then opened wide, as though she were peeling back the petals of a flower, and smiled up at me, sexily. Despite it being quite clear to us both that she knew I was just outside the glass, it startled me when she looked straight at me, like I'd been caught spying. When she beckoned me in, I needed no further encouragement, and was down the ladder, inside the house and up the stairs before she could change her mind.

I needn't have worried – when I stepped into her bedroom, she was lying back on the bed against the pillows, her long black hair now flowing around her shoulders. I began to speak, but she hushed me and crawled across the bed towards me. Undoing my belt and tugging my jeans down, she reached into my boxer shorts and fished out my hard cock. Smiling up at me, she ran her tongue slowly along my helmet, making my knees feel weak. Then, taking my length in both hands, she opened her mouth and fed me down her throat. I'd never had a woman take me so far back, and my stomach tightened as I felt her lips touch my balls, gobbling down my entire length, before sucking and licking away, rhythmically.

As much as I love a blow-job (and I do love a blow-job!), I was now aching to be inside her. Pulling away, I pushed her back on to the bed and grabbed her ankles, pulling them onto my shoulders, before ploughing my dick inside her juicy pussy. She was so tight, it was all I could do to keep myself under control – especially when she dug her manicured nails into my butt-cheeks and begged, "Screw me harder! Just fucking hurt me!"

Who was I to argue with such a request? I held her legs back, so they were next to her ears, and fucked away for all I was worth. Her heavy breathing started to turn to yelps, progressing to screams as her body shuddered, and she climaxed. I didn't let up, though, and although I slowed my pace a bit, I continued to fuck her now-squelching fanny, while she clung on to me.

Dear *Mayfair*,

What a thrill to see the gorgeous Katie returning! First she was a saucy French Maid, and now a sultry 'lady-in-red'! She's the perfect, bosomy glamour girl – so cuddlesome that I couldn't resist the urge to do another picture and try to capture some of her joyous curves in paint. I hope my effort brings a smile, to you and to the girl herself!
I've also been inspired to pen a few lines of verse in praise of my favourite magazine – I hope you like them!

Arty-Tarty

Lovely lasses lay bare
Their treats in Mayfair,
Putting shyness to bed,
Filling pencils with lead!

A Mayfair muse
Lights the fuse!
Tho' I blush,
Take up the brush,
For a naughty nude,
Saucy or rude
(No swooning of fainting!)
Makes for a jolly painting!

I love getting 'Arty',
When a lady looks 'Tarty'!
Cute, wicked grin –
Picture of sin!
Sure, lady's no saint,
But she's lovely to paint!

Portrait of Lust!
Bell, with her rose-tipped bust!
(Beautiful gift–
A wonderful lift)
Big baps
Thrill the chaps!
Boob-flesh pleasure
Milking the measure,
As a tit-wank treat
Turns up the heat!
Curvy hips, ruby lips.

A lady in lace,
Lovely, kind face,
Naked thighs,
To tempt the guys.
Or wearing her stocking,
So ripe for a cocking!
Phew! What a bot,
Madam's so hot!

Who could miss
These visions of bliss,
These Mayfair maids bold,
Who banish the cold?

In praise of fair maiden,
With a paint-brush laden,
Let 'art' dream to capture
A ray of her radiant rapture!

Gabriel, London.

Thanks for that, Gabriel - another fine addition to the *Mayfair* gallery! And good effort with the verse, too. We've certainly seen, er, verse! - Ed.

SAMANTHA

Age: 30 **Vital Stats:** 34DD-26-36 5'8"
Photographer: Tammy Sands

In the dim and distant days of March 2018 the scrummy Samantha Saint last cross our paths, and she was mulling over whether to thrown in the towel and hang up her, er, boobs in order to go out and find herself a proper job, but we're delighted to say she's still amenable to getting her faultless bod out for us should we so desire (and email and generally badger her about it for ages).

"Well, I figured another appearance in *Mayfair* would be a nice way to remind my fans that I'm still out here. Not really found myself a proper job yet, but maybe soon..."

Let's hope not, eh?

Having gained confidence in myself, I flipped her over onto her front, and knelt behind her, shoving my tongue into her dripping cunt, tasting my own pre-come mingled with her juices. Sliding my tongue back to her arsehole to test the waters, I stuck two fingers into her twat and fucked away. Groaning, she pushed back against my hand, so I knew I was doing something right! And when I pushed my thumb into her arse, she began to moan loudly, pushing her bum in the air.

This was too horny a sight for me – my cock needed relief. Keeping my thumb where it was, I withdrew my fingers, and replaced them with my quivering cock. Tina was already breathing heavily, but when she felt my big shaft slide inside her pussy while my thumb fingered her butt, she started bucking around wildly, her body shivering with pleasure. I fucked both her holes simultaneously, until she came again, this time just as noisily as the first. Feeling her pussy muscles contract around my dick was too much, and I felt my balls start to tighten. I withdrew from her hole just as I spurted my goo – aiming it all over her back and bum.

> WHEN I PUSHED MY THUMB INTO HER ARSE SHE BEGAN TO MOAN LOUDLY, PUSHING HER BUM IN THE AIR.

I go to Tina's every fortnight now. I think she likes her bit of rough, which suits me fine. I get the best fuck I could dream of, and I get paid, too! And in return, she has the cleanest windows of anyone in her neighbourhood!

Karl, Bristol.

BRUSH POKES

Dear *Mayfair*,

I'm a painter and decorator by trade and I recently had a very nice perk on the job. I was doing the outside of this house for a couple. They were mid-thirties and although they both worked, Anna, the missus of the house, had taken the week off while I was there. She was quite nice in a 'yeah, I would if she offered it to me' kind of way but I wouldn't have gone out of my way to fuck her. But then it turned out I didn't need to.

I'd spent a whole afternoon up and down a ladder putting a coat on all the guttering round the roof. It was hard work but I didn't mind because it was a nice day. Anyway, there I was coming down the ladder when I slipped. I was quite near the bottom but I fell awkwardly onto my knee, grazing it on the gravel path below. It didn't particularly hurt but it was bleeding so I limped to the backdoor and called out for Anna.

Seeing my injury she ushered me into the lounge and told me to sit on the sofa while she went to get something for my cut. I took advantage of the welcome break and made myself comfy while she rummaged around a first aid box. When she found a suitable dressing she got ready to apply it to my knee.

It was bandaged up in a couple of seconds but Anna's hands remained clutching my leg. Then they started to move up my thigh and under my shorts. I was amazed, especially when one of her hands made its way into my pants.

Sensing what was coming, my knob sprung to attention and Anna calmly gripped it. I looked down at her in total shock but she just seemed so nonchalant about it. Oh well!

Anna peeled off my boxer shorts and as I looked down with great anticipation the tip of her tongue made contact with my ball bag. From there it travelled up the length of my rod, before making a few laps of my helmet and then I watched, and felt, with pleasure as it disappeared into her mouth.

I let my hand roam down the front of Anna's knickers. My fingertips slid swiftly over her near smooth mound before locating the opening. I probed with my middle finger between her lips before detecting moisture. From that point my digits sunk deep.

I had to free my hand from Anna's succulent hole as she let go of my cock with her mouth and positioned herself over me. There was little I could do as she held my firm cock upright and I watched in awe as my knob slid easily inside her cunt. When she had taken my length to the hilt she began a subtle rocking movement and with each downward thrust my cock was treated to a fantastic work-out.

For the next fifteen minutes Anna rode me until I couldn't hold it any longer. And believe me I tried. The moment was just so exhilarating I had to burst. My body tightened as a stream of come shot from my cock and decorated the insides of Anna's pussy. Although I was spent she kept riding me until she was finished too.

Finally exhausted, she climbed off me and let me take the rest of the afternoon off because of my knee. Naturally I did as she said, but I'm a good worker and managed to struggle the next day!

Glen, Littlehampton.

GEORGIE'S BEST!

Dear *Mayfair*,

I love it whenever you get a brand new model in the magazine, and Georgie Darby in your latest issue (54.04) was a most welcome addition to the *Mayfair* stable! What a delectable firm and invitingly slender body, and I can't help envying the lucky guy *(or girl! – Ed)* who gave her that elegant rose tattoo just a couple of centimetres above her own sweet petals!

All things considered, that issue was a real keeper, with Georgie joined by longer standing favourites like Holly Gibbons and Emma Green, as well as one of my other new favourites in Katy-Jayne. Looking forward to seeing who you've got lines up for us this month to join Jasmin and Natalia!

Harry, Newcastle-under-Lyme.

Is it our imagination, or is there a particularly healthy glow about Babestation beauty Mia Middleton in this set? If so, we'd like to know why...

Ha - is it obvious? Well, I guess here's no harm in letting you know. I've got a new boyfriend and he's very, well, enthusiastic when it comes to certain things, shall we say? Not that I'm complaining, of course, but he's definitely keeping me busy – especially in the mornings, when he really can't keep his hands off me. So I had a bit of a workout this morning, and only just had time to shower and brush up before this shoot!"

Fair dos - and we can't say we blame the lad!

TECH'S APPEAL

Feeling the urge to shell out some of your hard-earned shekels on some shiney new baubles? Well don't go splashing out till you've read the *Mayfair* lowdown!

APPLE **AIRPODS 2**

If you spend much time on the London Underground – or the city centre transport options in other cities, you might well have noticed that a lot of people seem to be walking about with what look like stringless tampons dangling out of their ears. Well you'll be relieved to know this isn't because there's been an epidemic of aural bleeding going round – no, these are Apple Airpods, the rather wanky wireless earbuds that you had to use if you'd bought one of the new iPhones which don't even have a headphone socket any more. Now personally I always figured that, unless you're Mr Tickle, your ears are never going to be that far away from your phone; and so wires going from one to the other was a pretty reasonable idea, but then I'm not in the business of flogging overpriced Apple products, am I? The other handy thing with wires, of course, is that if one or both of your earbuds should fall out when you're crossing a long, narrow bridge over a mile-deep canyon (I often do) or getting on a train, then it's not going anywhere, whereas you can kiss your pricey wireless buds goodbye. Anyway, despite a lot of initial resistance and out-and-out ridicule, the original Apple EarPods seem to have caught on with a certain section of society and so, inevitably, it hasn't taken Apple too long to bring out a newer version which are, in many respects, identical but in others just ever so slightly better enough to make their core market think about shelling out. So what's the deal? Well, the first major improvement is that you can now charge them wirelessly as well as use them wirelessly, but not, sadly, at the same time. No, you'd have to take them out of your ears and pop them in the portable charging case (which in turn needs to be charged when you get home with a Qi-compatible charger). But why might you want to charge them when you're out? Well that's the thing – although the new, improved AirPods have also increased their battery life, it's still only 5 hours of music listening – less if you're talking to Siri or some actual real person on your phone through them. To be honest it sounds a bit crap to me, but I dare say they'll be flying off the shelves ere long!

PRICE: £199

DJI **SPARK FLY COMBO**

Once upon a time a drone was either a pointless loafer who hanged out at Bertie Wooster's club or a bee that didn't appear to serve much purpose, but these days a new kind of drone has emerged that's capable of killing people thousands of miles away from the operator, or mucking up everyone's holiday plans by hovering around near an airport for days without anybody seeming to be able to do very much about it. But as well as being nifty ways to deal death or stymie holidaymakers, they're also something of a hot ticket toy these days as well. Back in the 20th Century chaps with too much time on their hands would go to the park and fly a kite for hours on end, and then as technology progressed they'd waste their time chucking remote controlled planes or helicopters into the air and praying they wouldn't crash and burn (well, snap). But now we have drones, which are like toy helicopters really but less prone to crashing and snapping. When fully charged, this one'll give you a full 16 minutes of running time, which might not sound like much but believe me, a quarter of an hour or so of this sort of thing is usually more then enough. But apart from the fun of watching it fly around, the Spark Fly is fitted with a nifty 12MP camera which'll shoot stills or HD video, so you can either use it as a glorified selfie-stick to film yourself as you stand in a park looking up at it, or to spy on your neighbours when they're sunbathing in the garden. Although that sort of thing's almost certainly illegal, of course.

Two men are pushing their shopping trolleys around a supermarket when they collide.

The first man says to the second man, "Sorry about that, mate. I'm looking for my wife, and I guess I wasn't paying attention to where I was going."

The second man says, "That's OK. It's a coincidence. I'm looking for my wife, too. I can't find her and I'm getting a little desperate."

The first man says, "Well, maybe we can help each other. What does your wife look like?"

The second man says, "Well, she is 21-years-old, tall, with long blonde hair, sparkling blue eyes, big breasts and she's wearing tight denim shorts and a small vest. What does your wife look like?"

The first man says, "Fuck looking for mine – let's look for yours!"

A bloke comes home from work to find his wife stood on the doorstep with all her bags packed.

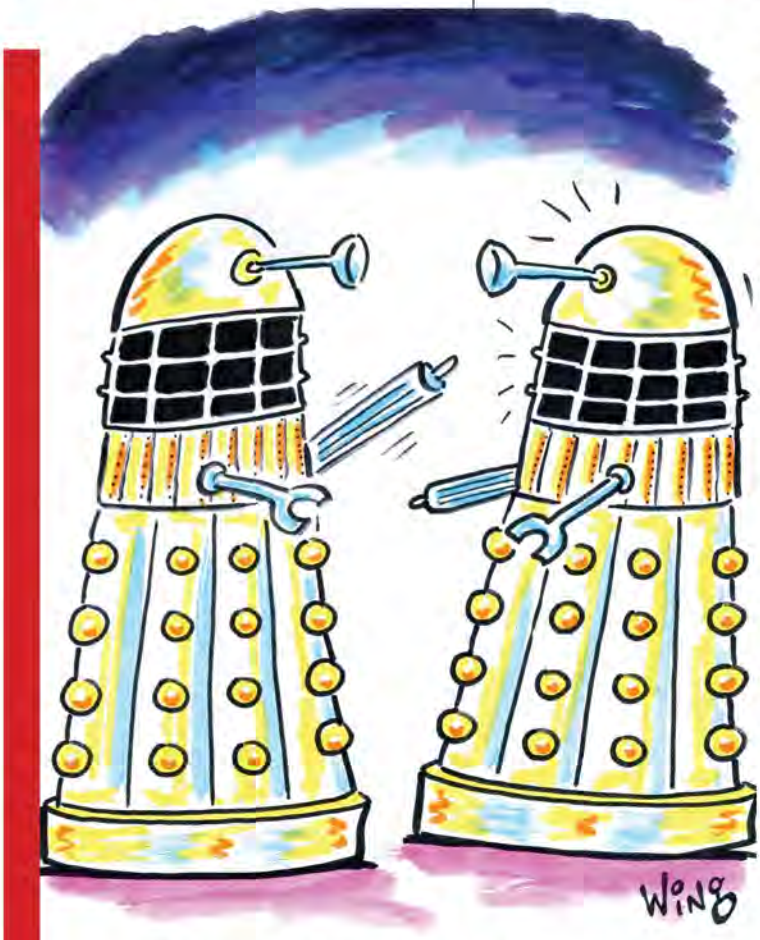
"Where are you going?" he asks.

"I'm leaving you," she replies. "I'm going to Las Vegas. I've just found out I can get £400 for a night for what I've been giving you for free!"

"Wait here," he says, and returns two minutes later with his bag.

"And where do you think you are going?" she asks.

"I'm coming with you. I can't wait to see how you're going to live on £800 a year."



"For fuck's sake, put it away!"

A fellow walks into a pub and sees a jar full of money on the bar.

"What is the jar for?" he asks.

The pub landlord replies, "If you can make my horse laugh, you win it."

So the bloke walks up to the horse and whispers in its ear, and immediately the horse starts laughing loudly, stamping its feet with tears rolling down its face.

The bloke picks up the jar and walks out.

Three months later the bloke walks into the same pub and sees another jar of money on the bar, so asks what it is for. The landlord tells him that the horse hasn't stopped laughing since the last time, and if he can get it to stop, he will win the jar.

So the bloke goes up to the horse and stands with his back to the room, and immediately the horse stops laughing.

He picks up the jar and, as he goes to walk out, the landlord asks him what he said to the horse to make it laugh.

"I told it my dick was bigger than his," replies the bloke.

"And the second time?" the landlord asks.

"I showed him."

Julius Caesar was addressing a crowd in the Coliseum. "Friends, Romans and Countrymen, lend me your ears. Tomorrow I take our glorious army to conquer Northern Europe and I shall start with France. We shall kill many Gauls and return victorious."

The crowd are up on their feet, "Yes, hail mighty Caesar."

Brutus turns to his mate and says, "He doesn't half talk some shite, eh? He couldn't fight his way out of a wet parchment bag."

Six months later, Caesar comes back having conquered France and addresses the crowd again.

"I have returned from our campaign in France and as I promised, we killed 50,000 Gauls."

Q: What did the pirate say when he turned 80?
A: Aye, matey!

The crowd are up on their feet again, "Yes, hail mighty Caesar."

Brutus once again turns to his mate, "I'm sick of his bullshit, I'm off to France to check this out."

So Brutus sets of for France and three weeks later he returns to Rome.

Caesar is addressing the public again, "Tomorrow we set off for Britannia to sort those bastards out!"

The crowd are up on their feet, "Yes, hail mighty Caesar."

Brutus jumps up and shouts, "Caesar, you are a liar. You told us that you had killed 50,000 Gauls in France, but I've been there to check it out you only killed 25,000!"

The crowd are stunned and all sit down in silence.

Caesar looks slowly round the Coliseum, then across at Brutus and says, "Brutus, you are forgetting one thing – away Gauls count double in Europe." *(Gah! – Ed.)*

Seconds out – it's time for round three, and already we're on to our second Babestation stunner of the issue, with Home Counties hottie Jasmin M returning for only her second appearance in the magazine. Hmm, that's a lot of 'second's for one sentence, isn't it? Mind you, if anyone's going to leave you begging for seconds, surely Jasmin's your girl!

"And you'll be pleased to hear I'm usually more than happy to dish out some second helpings!" she laughs. "Apart from anything else, it usually lasts a lot long than the first helping, which are often all over before you know it."

What an absolutely classic model – and in such perfect condition, too! You don't come across too many in that sort of condition, sadly, but that's enough about Natalia Forrest – check out that Ford Thunderbird she's taken out for a spin!

Alright, so maybe that gag was a bit obvious (*'A bit'?! – Ed.*) but what a classy pairing, eh – Natalia and one of the most iconic motors from the middle of the last century. Pity the Great British Spring couldn't rustle up some sunshine as well, but then perhaps the combination would have been just too dazzling to take!

There's no two ways about it – Saskia Jade's standing both here in the *Mayfair* office and with our readers is growing and growing, which is a bit ironic given that (as eagle-eyed readers might have spotted) the girl herself appears to be shrinking! But fear not, she hasn't really lost an inch since her last appearance – it's just that a double check found her coming in at just under the 5 foot mark.

"Yeah, I've always liked being petite, so it's alright by me. The only downside is that I sometimes think I ought to take a cushion to the cinema!"

Well, if you ever fancy a lap to sit on, we don't think you'd go short of offers!

Scene from MAYFAIR

Want a feel-good family movie to enjoy with the kids - or how about a feel-bad slice of Cold War gloom? But hey, maybe the Cold War had its fun moments to, eh?

MARY POPPINS RETURNS

54 years for a sequel seems like a bit of a wait, doesn't it? Apparently the character's creator PL Travers was so difficult to deal with that the ideal of a sequel was nixed back in the day, but she's long-gone now and here we are at last! Emily Blunt takes on the title role this time round, with Lin-Manuel Miranda stepping into the 'American with (not quite so) dodgy cockney accent' role as Jack, a lamp-lighter rather than a chimney sweep. With a lot of the same settings as the original, and revolving around the Banks family that has now grown up, there was perhaps a danger it would feel like a retread. But while Blunt's nanny seems a bit on the stern side compared to Julie Andrew's natural charm, it's the cracking song and dance numbers – very much in the spirit of the original – that mark this out as a very strong candidate for classic status, with turns from Meryl Streep and cameos from Dick Van Dyke and Angela Lansbury further adding to the irresistible appeal.

THE PRISONER

Not to be confused with the mind-bending cult 60s TV series, this film dates from 1955 and represents quite a startling change of pace for fans of Alec Guinness who are more used to his faultless performances in some of the finest comedies these isles have ever produced (*The Ladykillers* dates from the same year). In this somewhat more downbeat film, Guinness plays a Cardinal in an unnamed authoritarian Eastern Bloc country who finds himself being arrested for treason. Having previously endured Nazi rule in the country a few years earlier, the Cardinal's already used to the rough stuff he'll be getting in jail, but eventually starts to crack under extreme physical and psychological pressure. Jack Hawkins plays the interrogator in this intriguing slice of cold war realism that makes the most of the screen presence of its two big star names.

DEUTSCHLAND '86

Spy stories seem to be especially well suited to TV series – there's generally a long story arc, with plenty of moments of crisis and high drama along the way. *The Americans* was a fantastic example, about a couple of Russian agents embedded in Washington, and German telly got in on the act as well with the cracking *Deutschland '83*, in which Jonas Ney played Martin Rauch, an East German border guard who gets trained up and sent undercover to West Germany, where he's detailed with ferreting out as much Cold War info as he can. It was a great series that became quite an international hit, and now we're pleased to see a sequel hitting the shelves. Three years have passed (obviously!) and the political landscape is undergoing massive shifts around him. Can Martin cling in there as global 80s issues unfold around him? It's certainly fun finding out.

What with her spending a lot of time in Bali, which I think we've mentioned before, we don't get to see anything like as much of Bexie Williams as we'd like to any more, but (apart from *Mayfair* staffers hanging around at photoshoots with their tongues hanging out), is there anything in particular the girl herself misses about Blighty?

"Hmm, let me think... I hear there's been quite a bit in the news about Brexit lately *(You could say that – Ed.)*, and I certainly don't miss any of that! Also the weather never really floated my boat. Umm, maybe kippers for breakfast!"

Really?!

"No, not really – I just couldn't think of anything else!"

MAYFAIR Movies

Fancy a loin-stirring film to watch on a romantic night in with the missus? Well one of these might just do at a push - and at the very least none of them is *Love, Actually*...

Wicked Pictures

SEXUAL SITUATIONS

★★★★☆

CAST: Romi Rain, Aaliyah love, Gianni Dior, Candice Dare, Gina Valentina.

Call me old-fashioned if you like, but I'm of the generation that expects – nay, demands! – a scruff flick to contain a few sexual situations as a bare minimum! If I didn't want to see any of that sort of thing I'd watch Doc Martin or the news or something, but when I slid a scud flick into the old DVD player, sexual situations is exactly what I'm after. So calling a film Sexual Situations is like putting, oh, 'Some Paint' on the side of a tine of paint. Then again, it turns out there are specific sexual situations going on here, the first being 'make-up sex', in which Romi ans her fell get over the fact that the'd had a row (we don't get to see that bit) by having a nice, candlelit shag on a hilside overlooking LA – and we do get to see that bit! The lighting's a bit moody, but Romi's a lovely curvy creatire and by the time he's dropped his load over a very shapely buttock you can't help thinking the've patched things up nicely. Slim blonde Aaliyah's got a friend with benefits, and as he reams her furry snizz you've got to admit it looks like a very mutually satisfactory arrangement. Gianna, meanwhile, uses an app to hook up for some casual sex which leaves her basted in come. Break-up sex (really?) and kinky sex see us out in style.

★★★★☆

Private

SOCIAL MEDIA SEXY INFLUENCERS

CAST: Tiffany Tatum, Misha Cross, Stacy Cruz, Georgie Lyall, Elizabeth Romanova.

Influencers, in case you're too old to pay attention to thse sorts of things, are sort of online celebrities who pose for selfies and artlessly suggest that their followers might want to buy this or that brand of make-up, or trainers etc. It's all utter drivel, of course, but that's the 21st Century for you – and if nothing else, it gives Private another peg to hang one of their flicks one, although (thankfully) the social media influencer bit in the title plays second fiddle to the sexy bit! Busty Scot Georgie's influencing seems to involve wearing a balaclava and pretending to be a burglar, but then a real burglar turns up! Well, the opportunity's too good to miss, and she's soon noshing on his big, black cock. The jammy crim then gets to try out her shaven slot in just about every position before she gets a good influencing right in the cakehole. Misha teams up with Pascal for a very intense anal coupling in the next scene, although covergirl Tiffany possibly eclipses in in the next. Mind you, Stacy and Elizabeth are corkers as well. A pretty strong offering from Private.

VivThomas/MetArt

OILED

CAST: Ena Sweet, Julia Roca, Silvia Dellai, Cassie Del Isla, Caomei Bala, Cristal Caitlin.

Here in the *Mayfair* office we're pretty used to seeing thr Ed well-oiled. Pretty well every afternoon, in fact, and the odd mid-morning as well, just for good measure, but thankfully we're not used to seeing him naked and covered in baby oil, because it wouldn't be anything like as enticing a sight as the girls in this flick when they do it *(Well that's all you know! – Ed.)*. Certainly Cassie and Caomei are a fine-looking pair, who wordlessly set about undressing each other out of their undies and having a snog in a room tastefully bedecked with fairy lights. Once they're n the bed out comes the oil, and the music fades away so we can hear th moaning and groaning as boobs get massaged and pussies are fingered and eaten out. It' all very tasteful, so if you need some not-too-offensive lesbo porn to stick on when the vicar's round, this is just the ticket. It's a similar story with Ena and Juila ewxcept that this time some of the fairy lights seem to have got in betern the camer and the girls. Still, Julia boasts a marvelous old-school muff, which Ena seems to enjoy the taste off – and who could blame her? There's plenty more fairly lights and unctious action in the alst two scenes, too. **Available from your local sex shop.**

That lingerie set nicely accentuates Essex lovely Lycia's alluring curves, don't you think? Hats off to whoever selected the outfit for her!

"Well that would be me!" she grins. "I'm glad you like it – I've got a drawer full of this sort of stuff at home and it took me ages to settle on the right choice. I must have been trying one set on after another and looking in the mirror for an hour. I thought I'd made up my mind on four occasions, only to have second thoughts and start rummaging again."

What a terribly dilemma. What you need is a personal advisor who can assist at these trying-on sessions. Anyone fancy helping out?

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I know that a lot of people nowadays pull on social media or dating apps, but my husband and I get our thrills in a slightly different way - by dogging. There are many misconceptions about dogging, most of which get thrown our way if anyone finds out about our extra-curricular activities, but we don't care. We are happy and we have a really healthy relationship, both sexual and otherwise. Neither of us worries about the other straying as we get our kicks together and, as such, there is no call for a wandering eye on either part. Our kink keeps us happy and satisfied, and I thought I'd share a story with your readers to see if other people get as turned on by our antics as we do!

I've always been a bit of an exhibitionist, dressing as much to turn heads as to keep myself decent. High heels, short skirts... I like to show off what I've got! That's one of the things that Stephen, my husband, says first attracted him to me, and it's not changed since we got hitched. In fact, I think he kind of gets off on the fact that he can be walking along beside me, with heads turning, knowing full well that most of the guys are thinking, "You lucky bastard!"

Of course, I played up to all this, dressing in obscenely short skirts for nights out on the town, and graduating to going out without any knickers and giving the odd bloke a quick hint of quim, just to get them staring even harder. Stephen found this even more exciting, and we'd fuck like wild things when we got home.

We started 'dogging' after we were told by a friend about all the trouble that had been going on in a country park near where she lived. She moaned that it was well known that people went there to fuck, and that increasingly, people were going to watch. She said that the police turned up occasionally, but just moved people on, and that it all sounded a bit creepy to her. Well, it might have sounded creepy to her, but it sounded like heaven to Stephen and me.

A week later, we headed up there, on a Wednesday night, and parked up, leaving the inside lights of the car on, but turning the headlights off, so that we'd be visible to anyone watching from nearby. It was pretty dark, and we couldn't see much, or even really tell if there was anyone there but the two of us. Still, just thinking that we might be watched was a bit of a turn on, and so when we started to kiss it began to get quite steamy pretty quickly.

Stephen soon had his hand under my skirt, his fingers pushing my pussy lips to either side as he flicked my clit. I had my arms wrapped around his head, my tongue rammed down his throat, really getting off on the idea that we might be being watched.

Stephen's rubbing was getting me really horny, so I pushed him back in the driver's seat and went straight for his crotch. We'd both dressed for easy access, and so while I was pulling his tracksuit bottoms down to let his cock spring free, he was undoing my blouse and groping my braless tits.

> I PULLED STEPHEN'S COCK OUT OF MY MOUTH, TURNED AROUND, AND TOLD HIM TO FUCK ME.

I'd been kneeling on the seat, slobbering and licking Stephen's cock for about a minute, when I felt his hand stiffen on my breast and he whispered, "We're not alone." There was no way I could get a good look form where I was, but Stephen said that he could see a bloke a few yards away, one hand down his trousers, slowly approaching the car from my side.

We'd locked ourselves inside, as we didn't want anyone coming in and trying to join us, but the thought that someone else was watching got me really hot. Stephen's hand traced over my back to my bum, and he pulled my skirt up over my body, exposing my arse and pussy to anyone looking in, and started to ease the tips of two of his fingers into my already sopping pussy.

Age: 37
From: LUDLOW

I was already really fucking close to coming, and I really wanted to see the guy who was watching up, so I pulled Stephen's cock out of my mouth, turned around so my arse was facing him, and told him to fuck me good and hard.

It was pretty uncomfortable, getting into a position where we could get Stephen's

cock inside me and build up any momentum - thank God for handbrakes! - but finally we managed it. Stephen had scrambled underneath me and let the front passenger seat go into the reclining position. Then I straddled him, my legs apart so whoever was watching could get a good look at my pussy as Stephen fucked it. Sure enough, once he realised what was on display, our guest came out of the shadows and stood by the car, quite obviously wanking as he watched me bouncing up and down on Stephen's cock.

I must have looked like quite a slut! My skirt was hitched up around my waist, my white blouse open, exposing my tits, and my blonde hair matted with sweat - you have no idea how warm it gets in a car when you're fucking!

Needless to say, it wasn't long before Stephen started to stiffen, and I knew he was about to come. Our friend hadn't though, and I didn't want to disappoint him, so at the last minute, I pulled Stephen's cock out of my sopping snatch and let his cream spurt over my thigh and stomach. Then, as Stephen lay back, shagged out, I scooped up his mess with my fingers and licked them clean, all the time keeping eye contact with our friend. Well, that seemed to do the trick, and he soon sprayed the passenger side window of the car with his jizz, before quickly putting his cock away, grinning widely, and wandering off.

It was deliciously sexy, and both Stephen and I got off on it for the next few weeks, imagining how horny we must have looked.

"I STRADDLED HIM, MY LEGS APART SO THAT ANYONE WATCHING COULD GET A GOOD LOOK AT MY PUSSY."

Since then, we've been back on other nights, when it's been busier, and there's nothing like the thrill of being watched by a few guys, and then looking across and seeing another couple

performing in a car further along. The fact that you don't know these people makes it even hornier. We've even gone so far as to travel some fairly long distances so that we can play in different areas. Where it'll go from here is anyone's guess, but I'll be sure to let you and your readers know!

"I SLOWLY BEGAN TO RUB AND KNEAD HER BREASTS AND FELT HER NIPPLES HARDEN..."

Last summer I had agreed that I would accompany my parents on holiday for a couple of weeks. I was approaching my 20th birthday and although the days were fine, spent basking on the local beach, the evenings with my folks were a little slow.

One evening, we were returning back from a restaurant when my dad suggested we pop to the hotel bar for a nightcap. Once inside I spotted a girl I had seen on the beach over the last few days and fortunately, she recognised me too and soon the two of us were chatting at the bar. A little while later, my mum tapped me on the shoulder and told me her and dad were heading to their room. I stayed in the bar with Kim and chatted the evening away. Kim was also English and 21 and away with a couple of her friends. She was spending a quiet night alone having been unable to shake off the previous night's hangover before her mates hit the town. She was about my height with short, blonde hair and a full figure.

After another drink we decided to take a wander across the town to get some fresh air. We walked slowly across the beach, chatting and getting on like a house on fire. Kim leant across me and pointed at a bar across the bay. Her hand brushed across my chest and instead of turning towards the bar, I turned towards Kim. She looked straight into my eyes, our faces only inches apart. Butterflies flew in a frenzy around my stomach and as if to answer my thoughts, Kim leant even closer and kissed me on the lips.

I was filled with shock and surprise and a strange mixture of passion, I had never been kissed by another girl before. Kim drew away slightly, and again fixed me with her pale brown eyes, before returning and again gently kissing me on the lips. This time her tongue flicked against my lips and slowly probed my mouth. She slipped her hand through my hair on to the back of my head and pushed me closer to her. She kissed me more deeply and as if woken from a trance I responded, kissing her back, pushing my tongue into her mouth.

The whole mood suddenly changed and having not been immediately knocked back, Kim's hands wandered all over my body. They snaked down over my hips to the top of my legs and she stroked me gently through my short, knee length dress. I could feel myself getting moist the more she touched me. I slowly began to rub and knead her breasts and felt her nipples harden to my touch. I teased them through her T-shirt and I heard her gasp as I pinched them between my fingers.

> "I FELT HER HAND DIP INTO MY PANTS AND HER FINGERS PUSHED THROUGH MY PUBIC BUSH."

Name: ZOE
Age: 20
From: HARLOW

She ran her hand across my stomach and her fingers slid between my legs and rubbed my pussy through my skirt. I groaned with desire and longed for her to touch me. She started to hitch my skirt higher and again rubbed her hand against me through my knickers. I felt her hand dip into my pants and her fingers pushed through my pubic bush. I widened my legs slightly and her index finger pushed against my pussy lips and eagerly sought out my clit.

I gasped again as her fingers probed my sopping love hole. I was totally lost in the whole scene. Kim told me to lie down, and I obeyed as she eased off my knickers and tossed them down the beach. She pushed my dress up past my pussy, before pulling it off over my head, leaving me lying on the beach, totally naked. I suddenly realised where I was and looked briefly up and down the beach. It was dark and looked deserted, yet the bars bustled on the busy main street only 25 yards from where I lay.

Kim kissed me on the lips before working her way back down my body. She kissed both my tits, teasing my nipples to erection. She ran her tongue over my stomach and kissed my thighs, working back up the insides to my soaking cunt lips. I cried aloud as her tongue probed into my love hole. She took all of my pussy lips into her mouth and sucked on them gently, bringing me almost instantly to orgasm. My love juices flowed freely from my snatch, and Kim lapped them up greedily. I held her head and pushed

it deeper between my legs and she continued to lick all around my pussy. She pushed her tongue into my hole, sending shivers throughout my body and sensing my continued excitement, she licked my love hole even quicker.

Stopping briefly, Kim hooked her hands beneath my knees and pushed them back so my glistening cunt pointed straight in the air, and I felt her tongue probe gently against my sphincter. I flinched at her touch, but she was not to be denied, and

> I WIDENED MY LEGS AND HER FINGER PUSHED AGAINST MY PUSSY LIPS AND SOUGHT OUT MY CLIT.

her hot tongue circled lazily around my hole. As she pushed my legs back, my arse widened and her tongue penetrated my virgin hole. As she licked me, I played with my clit, rubbing it gently with my fingers. I wriggled and tried to push back onto her tongue and as she continued to probe my arse I could not hold back and yelled aloud as a second orgasm crashed through body.

Kim looked up at me, licking her lips. Her chin still shiny with my pussy cream. I pulled her up to me and kissed her mouth, licking my own juices from her lips. I was so desperately horny.

"Sit on my face," I gasped, forgetting my earlier indecision. Kim stood in front of me in the sand and pulled her T-shirt off over her head, then slipped off her shorts and kicked them off in to the sand. She stood before me totally naked, her ample breasts bouncing in front of her. Her blonde pubes were shaved into a thin, vertical stripe but her pussy was totally clean-shaven around her lips. I had never seen a shaven snatch before and couldn't wait to probe it with my tongue. Kim knelt over me in the sand with her pussy directly over my face. I flicked my tongue against her love hole making her flinch. It was my first taste of pussy and I loved it.

I grabbed Kim's hips and drew her snatch down onto my face, lapping eagerly and amateurishly all along her lips, pussy and towards her bum crack. She was grinding her hips against me as I munched, her pussy getting wetter and wetter with every lick.

As Kim had done to me, I took all the folds of her pussy lips into my mouth and sucked them deep into my mouth, making them swell and grow. She was writhing and gasping with passion. Her groans got louder and louder as I licked her smooth minge with boundless enthusiasm. She almost screamed as an orgasm blasted through her body and come practically fired from her glistening slot. I gulped as much down as I could, whilst the rest coated my face and chin.

Kim collapsed on top of me in a heap and we lay on the beach kissing each other and regaining our breath. After a few minutes a group of drunken lads wandered onto the beach and we grabbed our clothes and scuttled guiltily off for a drink before anyone saw us. I saw a lot more of Kim over the next few days, and needless to say, the remainder of the holiday absolutely flew by!

CLAUDIA

MAYFAIR
Classic

PHOTOGRAPHS BY CHRIS LAPIN

Claudia is class. A spot of posh totty from the smart part of Sussex. But crunch your way up the gravel drive to her home in Haywards Heath, and you'll be shocked by what goes on inside. "Some of my parties turn into full-on orgies," admits the 23-year-old Schiffer look-alike. "All my friends are highly sexually motivated, so as soon as dinner's over the snogging begins. I usually start off with the guy sitting next to me and move onto his mate. If there's an older man around I make sure I get a piece of him too. I love older guys!

"Basically it's mayhem. We swap partners, try out techniques and soon the CD is drowned out by moaning, as we screw on the sofa and roll around in front of the fire. You must come..." Ⓜ

Classic

Good Lord - orgies in Haywards Heath 23 years ago? I do hope Claudia's parents never twigged what she was getting up to. To be honest I'm a little bit disappointed I never managed to secure an invite to one of her bashes, because they sound pretty magnificent. Hey ho – Claudia, if you're still out there and keeping up the old traditions, please do drop us a line!

MAYFAIR

Vol.54 No.06

On Sale May 29th

May, as well as being a Prime Minister who doesn't seem to be having much fun in the job, is also a rather special month here at *Mayfair*, because, just like the proverbial blue moon, it's when you get two brand new issues of the magazine in one calendar month! So while we think of blue moons as being extremely rare, they must actually happen pretty much without fail every single year, which means they aren't really anything worth getting too excited about; another issue of *Mayfair* certainly is, though – especially if it's got lovelies like Sibyl and Brooke in!
